

3rd DYNAMIX Policy Platform

**Policy design and assessment:
Three policy mixes for resource efficiency
and decoupling**

Agenda

6 May 2014, Brussels

Martin's Central Park Hotel & Conference Centre
Boulevard Charlemagne 80, 1000 Brussels

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no 308674

Tuesday, 6 May 2014

09:00-09:30 Registration

Event facilitator: Gillian Martin Mehers, Bright Green Learning

Opening: Policy mixes for resource efficiency and decoupling in Europe

09:30-10:00 **The need for policy mixes for resources efficiency and decoupling in Europe**
Carina Vopel, Head of Unit, Directorate F.1, DG Environment, European Commission

Incl. Q&A

Session 1: Towards resource efficiency policy mixes: a systems perspective

10:00-10:15 **The systems perspective and policy areas of DYNAMIX**
Christian Hudson, Ecologic Institute, Germany

10:15-10:30 **Sensitivity modelling of three resource efficiency policy areas**
Christina Wolf, Swedish Environmental Research Institute (IVL)

10:30-11:30 **Interactive group work:**
Identifying drivers and barriers for resources efficiency and their consequences,
incl. presentation of results

11:30-11:45 **Coffee break**

Session 2: Policy mixes for resource efficiency and decoupling in selected areas

11:45-12:00 **Introducing the DYNAMIX policy mixes**
Tomas Ekvall, Swedish Environmental Research Institute (IVL)

12:00-12:15 **Policy mix areas and challenges – an overview of three resource efficiency policy-mixes**

- **Overarching policy mixes for decoupling growth from resource use and impacts**
Leonardo Mazza, Institute for European Environmental Policy (IEEP) & Katharina Umpfenbach, Ecologic Institute
- **Policy mixes targeted at metals**
Tomas Ekvall, Swedish Environmental Research Institute (IVL)
- **Policy mixes targeted at land**
Daniela Russi & Martin Nesbit, Institute for European Environmental Policy (IEEP)

- 12:15-13:15** **Interactive group work**
Policy mixes and selection of policy instruments for resource efficiency and decoupling with 3 sub-groups on: overarching policy mix for decoupling; policy mixes for metals; policy mixes for land
- 13:15-13:30** **Presentation of group work results in plenary**
- 13:30-14:15** **Lunch**
-

Session 3: Requirements for policy mix assessment

- 14:15-14:30** **DYNAMIX policy assessment**
Tomas Ekvall, Swedish Environmental Research Institute (IVL)
- 14:30-15:30** **Interactive group work:**
Defining needs for policy assessment with 3 sub-groups on: overarching policy mix for decoupling; policy mixes for metals; policy mixes for land
- 15:30-15:45** **Presentation of group discussion results**
- 15:45-16:00** **Coffee break**
-

Session 4: Policy mixes for resources efficiency and decoupling: needs for design, selection and implementation

- 16:00-17:15** **Panel discussion**
- Carina Vopel, Head of Unit, Directorate F.1, DG Environment, European Commission
 - Gunilla Blomquist, Ministry of the Environment, Sweden
 - Christian Hagelüken, Umicore
 - John Barrett, School of Earth and Environment, University of Leeds, UK
 - Pawel Kazmierczyk, European Environment Agency
 - Keith James, WRAP, UK
- incl. Q&A
- 17:15** **Closing – next steps and events in DYNAMIX**
Martin Hirschnitz-Garbers, Ecologic Institute
- 17:30** **Meeting of the DYNAMIX Advisory Board (internal meeting)**
